

PLANT MECHANIC

Field services - Canberra Region

CJD Equipment is the national dealer for Volvo Construction Equipment. We are currently seeking an experienced Plant Mechanic for our field services division based in the Canberra region.

The successful applicant will be able to demonstrate the following:

- Trade qualifications
- A high level of self motivation & ability to work without direct supervision
- Experience in diagnostics, hydraulics & electrical systems
- High level of communication skills.

We offer excellent working conditions and a very competitive remuneration package.

Please send your applications, including a full resume to:
