

AUTO ELECTRICIAN

Due to continued growth, we require the services of a fully qualified **Auto Electrician** for our well-equipped workshop based in Guildford WA.

Working on new deliveries, this hands-on role is responsible for carrying out all facets of electrical repairs, installations and modifications on our Volvo range of construction and earthmoving equipment.

Your attention to detail and appropriate trade qualifications will enable you to investigate, identify and rectify electrical issues, and offer practical solutions in a timely manner. An air-conditioning ticket and experience would also be well regarded.

On offer is a permanent position and competitive remuneration for the right applicant with the opportunity of overtime.

Interested applicants are invited to submit their resume marked to the attention of:
