

PLANT MECHANICS FIELD SERVICE & WORKSHOP POSITIONS AVAILABLE

Volvo Construction Equipment Distributor, CJD Equipment is seeking the services of experienced Plant Mechanics for our rapidly expanding branches around Australia. Experience with Volvo Construction Equipment is desirable but not essential.

The successful applicants should be able to demonstrate the following:

- Trade qualifications.
- Ability to work in a team environment.
- A high level of self motivation and ability to work without direct supervision.
- Advanced problem and fault finding skills, especially in hydraulic and auto electrical systems.
- High level of communication skills.
- High level of interpersonal skills.
- Basic computer skills
- Ability to work outside normal working hours.

We will provide ongoing training, excellent working conditions and a very competitive remuneration package. Applicants must have a strong customer satisfaction focus and a desire to provide premium levels of service and support.

For more information on these positions and our locations please contact us via our email address recruitment@cjed.com.au.

Please send your applications, including a full resume to:
