

HEAVY DUTY TRUCK MECHANICS WORKSHOP POSITIONS AVAILABLE

Kenworth and DAF Truck dealer, CJD Equipment Pty Ltd is seeking the services of experienced Heavy Duty Truck Mechanics for our rapidly expanding branches in Western Australia and Tasmania. Experience with Kenworth or DAF trucks is desirable, but not essential.

The successful applicants should be able to demonstrate the following:

- Trade qualifications.
- Ability to work in a team environment.
- A high level of self motivation and ability to work without direct supervision.
- Advanced problem and fault finding skills, especially in drivelines and auto electrical systems.
- High level of communication skills.
- High level of interpersonal skills.
- Basic computer skills
- Ability to work outside normal working hours.

We will provide ongoing factory training, excellent working conditions and a very competitive remuneration package. Applicants must have a strong customer satisfaction focus and a desire to provide premium levels of service and support.

For more information on these positions and our locations please contact us via our email address recruitment@cjed.com.au.

Please send your applications, including a full resume to:
