

## Employment Opportunity Mackay, Queensland

---

8<sup>th</sup> March 2010

### **SERVICE SUPERVISOR**

We are seeking applicants for the role of Service Supervisor at our Mackay branch. This important role is responsible for the successful running of a workshop, including labour planning and utilisation, management of repairs and maintenance contracts and provision of ongoing customer support. This role will encompass our Volvo Construction Equipment products. The successful applicant must have a mechanical trade certificate, a strong focus on customer satisfaction, proven supervisory ability and strong product knowledge. If you have a desire to succeed then you are the person that we are looking for. This Mackay based position provides excellent remuneration and career opportunities, working in a strong dealership in a fantastic part of Queensland offering all the benefits of city living plus islands and fishing for leisure.

Please apply in writing or email to the below address,  
Application closes 24<sup>th</sup> March 2010.
