With over 43 years in the business, CJD are involved in the industry for the long term & have the skills and knowledge to support you and your equipment.

Our Customer Support Agreements offer preventive maintenance, inspections and repairs carried out by trained Volvo Service Technicians, which gives you the best possible peace of mind. With fully equipped workshops & parts warehouses throughout Australia, we have the support network in place to ensure you're well supported, no matter where you or your machines are. **Call us today for more information.**
