This offer is valid for genuine Volvo Construction Equipment spare parts if purchased from CJD Equipment authorised branches and dealers between 1 July 2021 and 30 June 2023. The warranty covers parts only if the spare part is purchased over the counter or parts and labour if the spare part is installed by CJD Equipment authorised branches and dealers. The warranty is limited to two years or 6000 operating hours, whichever occurs first, from the date of invoice if purchased over the counter or the date of installation if fitted by CJD Equipment authorised branches and dealers. Any part replaced or repaired under this warranty will be warranted only to the end of the initial warranty period of two years or 6000 hours, whichever occurs first. The warranty excludes hoses, wear parts, buckets and ground engaging tools, tyres, consumables and servicing parts such as filters, belts, lights and lubricants. Normal manufacturer's warranty terms and conditions apply. Normal core return policy applies to remanufactured components. Images are for illustration purposes only. CJD Equipment reserves the right to withdraw this offer at any time without notice.
